

November 2017 Newsletter

This month we're trying something different!

Plan to join us for a lunch meeting at Spokane Transit Authority's administration office. STA staff (including Karl Otterstrom, Director of Planning & Development and Dan Wells, Deputy Director of Capital Development) will provide a brief overview of STA along with an update of the Moving Forward projects approved by voters last November. We'll wrap up with a tour of the STA bus garage. **Please bring your high-vis vest for the tour.** We'd appreciate folks coming slightly before noon so we can start promptly.
