Some things to keep in mind...

2017 is coming to an end... don't forget to renew your ASCE membership! Please make sure your renewal includes Inland Empire Section dues.

Spokane is likely going to be hosting the ASCE Region 8 assembly meeting in Fall 2018! In the near future we'll be asking for members interested in helping to coordinate this event.

The Board has been having some discussion regarding how to handle future highway cleanups (including whether or not to continue doing them, or trying something else like a park cleanup). If you have any thoughts/ideas on this, please feel free to provide input to any Board member.
