DREAM BIG: ENGINEERING OUR WORLD

All around the world, engineers are pushing the limits of ingenuity and innovation in unexpected, imaginative, and amazing ways. *Dream Big: Engineering Our World*, an award winning film about engineering, takes viewers on a journey of discovery from the world's tallest building to a bridge higher than the clouds. Along the way, the audiences witness how today's engineers are shaping the world of tomorrow.

In celebration of "Engineers Week", the film is being shown in the Spokane area for the first time. Presentations by student and professional engineers before and after the film will highlight civil engineering feats from our region.

3:30 PM and 7:00 PM Showing

Gonzaga University Hemmingson Auditorium

702 E Desmet Avenue, Basement Level

RSVP to SpokaneDreamBig@gmail.com to reserve seats

Suggested donation: \$1 students, \$5 non-students
