For more information see our website [here](#).

ASCE Inland Empire Highway Cleanup

Saturday, April 27, a crew of 3 worked at a brisk pace, picking up along one mile of eastbound I-90 between Spotted Road and Grove Road. Approximately 20 bags were filled in 2 hours.

After posing for a team photo by the Section's WSDOT Adopt-a-Highway sign on I-90, we enjoyed reminiscing about our adventures in gale force winds (OK, not quite that bad) over coffee and brunch at Denny's.

The experience demonstrated that given 12 volunteers working at the same rate, the Section will be able to complete our entire assigned 2-mile segment in both directions.

The next highway cleanup is slated for July (exact date TBD).

Special thanks to Ryan Brodwater, Mark Pannell, and Jeanne Finger for their service on April 27.
