

## March 2018 Newsletter

### Back at the Hotel RL!

For this month's meeting, we're pleased to welcome Sue Niezgoda, Ph.D., P.E., who is an Associate Professor of Civil Engineering at Gonzaga University. Sue teaches a variety of Water Resources civil engineering courses, and is active in the ASCE Environmental and Water Resources Institute.

Sue will be sharing her recent research work using beaver dam analogs to reduce downstream sediment loads on California Creek, a tributary of Hangman Creek.

### Upcoming Event.....

Beaver Dam Analog  
Sue Niezgoda, Ph.D., P.E.

#### Date:

Thursday, March 22, 2018

Time: 11:50 AM to 1:00 PM

#### Location:

Hotel RL, Corbin Room  
303 W. North River Dr.

**Walk into the main lobby, use the elevator at your left. Take it to the 4<sup>th</sup> floor, take a right, and the Corbin Room is at the end of the hallway on the left.**

#### Cost of lunch:

\$15.00 ASCE Members  
\$25.00 non-ASCE Members  
\$7.00 students

**RSVP:** Ray Koberstine, PE ASCE-IE VP

[ray.koberstine@rcworst.com](mailto:ray.koberstine@rcworst.com)

Please RSVP by March 20<sup>th</sup>, 5 PM.

### Other things to keep in mind....

Our TechEd Committee has another great Professional Development opportunity coming up! Keep Wednesday, May 9<sup>th</sup> open on your calendar. More details to come soon.

### Want to be more active with your local ASCE?

Our Board elections will be coming up in a few months, think about running for a position! The time commitment is probably less than what you'd think, ask any current Board member about it.

### Two ways to pay by card:

 In advance or

 Square at the door.

### And cash/check at the door is still accepted!

Bob Turner has made some great progress roughing out arrangements for the September 2018 Assembly Conference to be held in Spokane. He could still use some help with detail committees (food, entertainment, etc.) Maybe we have some party planners out there! Email Bob [bturner@spokanecity.org](mailto:bturner@spokanecity.org) for details and volunteer opportunities.
